

KARMA YOGA APPLICATION FORM

Karma yoga is technically defined as yoga of action. It is time and energy you donate to Evolution Yoga in exchange for free yoga classes and other benefits.

Let us know a bit about you, your skills and availability for work at the studio.

The most common karma yoga position we need is Front Desk Reception/Retail. Please let us know if you have an interest and availability to work a 5 hour desk shift in exchange for unlimited yoga at the studio. We ask that you make a 6 month commitment or longer to your assigned desk shift.

Let us know which times of day you are most available: Weekends, evenings, weekdays, etc
